

Dear WPA Members,

Happy New Year from Flying Phoenix! The 30<sup>th</sup> Winter Blast is right around the corner, and we are ready for another great convention in 2019. This year we even have an extra day of shooting! You will find the complete price list for the convention on the Western Pyro website, or you can request a list as well via e-mail.

**WE WILL NOT BE SELLING PRODUCT FROM THE SEMI-TRUCK AND TRAILER THIS YEAR!** We will be way down in the corner, next to the B bunkers. We apologize for any inconvenience this may cause.

To make the ordering process as smooth as possible, we suggest the following:

- E-mailed orders preferred, payed for on site w/ cash (preferred), check, or credit card.
- All orders must be made in advance, we cannot bring extra product to the site.
- Final day to submit orders is WEDNESDAY, FEB. 6<sup>th</sup>. NO EXCEPTIONS!
- All received orders will confirmed with an e-mail from Flying Phoenix. If you don't get a confirmation e-mail, then we did not receive your order!
- All attendees who buy product must sign up for bunker duty.
- If you buy shells, try to get together with a friend and buy a case. You will get more shells for less money! It will also save time for our crew pulling orders in the dead of Wyoming winter.
- Individual units add 15% per unit. Boxed Unit add 10% per box.
- Please note you cannot order salutes larger than 4".
- Don't forget the squibs or fuse!
- Bear River Powder will take your black powder orders and they will arrive on our truck.

As I write, I am really looking forward to this convention in Havasu. It will be -20 below zero tonight! It can't come soon enough!

Cheers and best regards from the Flying Phoenix guys!
