

Hello and thanks for your interest in a wholesale pickup at WWB!

This excel file is an order form, simply change an ORDER QTY from zero to whatever amount of an item you want, it automatically calculates the total at the bottom. Go through the list, add your items, save it and return it to me via email, and I will confirm your order with a reply. I will ask for a 50% deposit. With such a long haul to deliver, we would not be able to handle someone not following through on an order. Remainders can be paid upon pickup.

I will have a vending spot in the tent this year, and we will have many more novelties and such on the tables, I just don't have a lot of cases of novelties and assortments to wholesale, but if you have a specific need in that area, feel free to ask, I may be able to help.

Last day to place an order is February 9th!!!

Thanks again for your interest.

Shaun
